LAW ENFORCEMENT AERIAL PLATFORM SYSTEM (LEAPS) PROVIDES AERIAL OBSERVATION SURVEILLANCE FOR THE CITY OF LANCASTER AND THE LASD

During July 2018, LASD formally logged 62 LEAPS service calls supporting tactical field operations. LEAPS was dispatched 100 times totaling 26.6 hours and was airborne providing strategic surveillance for 317.4 hours.

LEAPS provided airborne observation and support in the arrest of 7 suspects. Notable incidents during the month of July included aerial surveillance and support regarding several brush fires within the city during a period of extreme hot weather. LEAPS also assisted with several residential burglary calls and with surveillance operations regarding stolen vehicles and narcotics activity.

LASD sworn deputies are utilized as LEAPS ground system operators. Operators are able to easily search for and obtain recorded video from the LEAPS system to aid in criminal prosecutions. For more information regarding LEAPS, please visit www.aeroviewllc.com.

In addition to providing a force multiplier to the LASD in support of criminal activity suppression and deterrence, and search and rescue support, the LEAPS activity returns 99% of its revenue to the Lancaster community in the form of (1) salaries for pilots and systems support staff, (2) ongoing support from businesses at Fox Field for airframe maintenance and FAA compliance, avionics support and fuel, (3) ongoing support from local Lancaster businesses for purchasing and fabrication of LEAPS components and subsystems, and (4) local taxes and fees. This is further underpinned by Aero View LLC's commitment to remain headquartered in Lancaster for ten years. Taxes and fees account for less than 1% of costs. The LEAPS also provides the City of Lancaster with tactical and strategic reconnaissance support for (1) civic functions and activities, (2) emergency first responder support and (3) Department of Public Safety activities.
