DEPARTMENT**

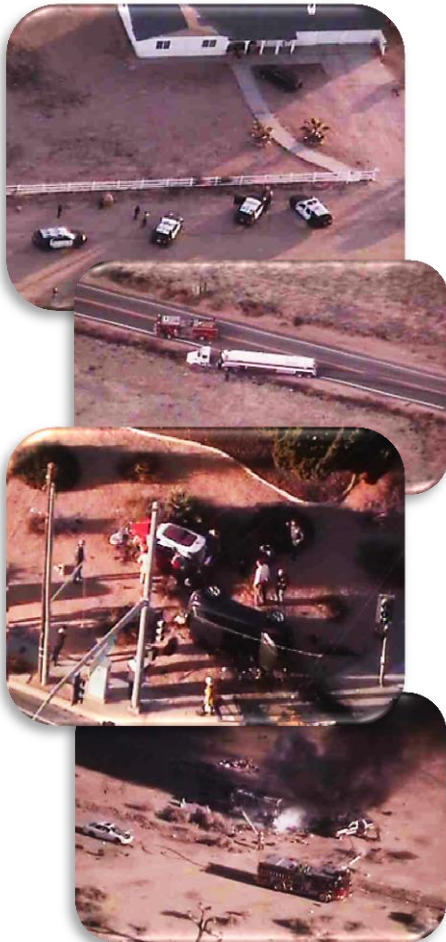

During January 2023, LEAPS was airborne 66.4 hours and dispatched 102 times for 23.6 hours of airborne tactical support and 42.8 hours of strategic surveillance with real-time visible and infrared (IR) imagery within the Lancaster and surrounding unincorporated areas in the Antelope Valley Los Angeles County Sheriff's Department (LASD) area of responsibility.

Dispatch results for January fall into distinct categories summarized to the right on this page. Dispatches from the Lancaster LASD station covered an area generally defined by Avenue A and Rosamond to the North, 185th Street on the East, Mint Canyon on the South and 185th Street to the West encompassing over 703 square miles. During January we lost 7.5 days of support due to weather conditions. Some specific events during windy and intermittent precipitation conditions include the following:

January dispatches included LEAPS support for calls of suspect with a gun and remained on scene until Deputies arrived and awaited their report of the call terminating.

LEAPS was dispatched to several traffic collision calls including rollovers as well as a semi and multiple vehicles. LEAPS remained on station awaiting emergency responders arrival or was dispatched to another event.

LEAPS responded to a motorhome fire on 35th Street East and stayed on site providing coverage and awaited LA Fire arrival and event conclusion.
